

Indiana State Qualifiers

Indiana State Qualifier (ISQ) is defined as any USA Gymnastics sanctioned competition in the state of Indiana that has been approved by the Indiana State Administrative Committee and that is hosted by a USA Gymnastics member club located in the state of Indiana. Said club must also be in good standing with Indiana USA Gymnastics. All Indiana USA Gymnastics Compulsory and Xcel gymnasts must obtain the AA qualification score to attend their respective Indiana State Championship competition. There are a maximum of three ISQs per weekend. Some weekends will only be allowed two ISQs. This is due to the number of judges needed at certain competitions. To host an ISQ, you must submit an Indiana State Qualifier Bid Form found on the state's [website](#). Review the ISQ Priority System Chart for the date in which you should submit your form. The final ISQ calendar will be posted on the Indiana website **before July of each year**.

ISQ Bid Criteria

- ISQ Host Club must be in good standing with USA Gymnastics, Indiana USA Gymnastics and Region 5 USA Gymnastics.
 - Good standing means: Credentials are updated, and all previous post meet documentation and fees have been sent by the deadline.
- ISQ Sanction Request must be completed by a USA Gymnastics Host Club: Refer to Priority System Chart for dates.
 - Third parties can be added to sanction after the host club applies.
 - Make sure to add venue, equipment company, medical personnel, etc. to sanction
- Coaches, athletes, and judges must register through the [USA Gymnastics Online Registration](#) system.
- To request judges for a competition, go to www.gymjas.com and refer to the Priority System Deadline chart. Judges Fee (\$3.00 per judge) is to be paid to IN NAWGJ.
- A maximum of 3 panels of judges will be allotted per weekend. 1 panel of judges is defined as 2 judges per event.
 - A single meet cannot take all 3 panels for a single weekend.
- Levels 3 – 10 require a two (2) judge panel. If circumstances arise where a judge is unable to perform duties due to Covid-19 and an alternate judge is not available, Levels 3 – 10 may use a one (1) judge panel. **Meet directors must communicate to the SACC as soon as they become aware of this circumstance**. Level 2 may use a one (1) judge panel at any time.
- Xcel Gold – Sapphire must use a two (2) judge panel. If circumstances arise where a judge is unable to perform duties due to Covid-19 and an alternate judge is not available, Xcel Gold-Platinum may use a one (1) judge panel. Xcel Bronze and Silver may use a one (1) judge panel at any time.
- Please Contact your judging assignor or NAWGJ Director to obtain an alternate judge if needed. Email address can be found in the appendix.
