Dear Coaches

As we all have seen, the cost of meets are skyrocketing.

I have for many years given trophies and a nice t-shirt to the gymnast for the Dreamcatchers meet and a really nice leotard for the Pot of Gold. Our girls love getting these. But the cost is incorporated into the meet fees.

I have been able to do this and keep our meet fees lower than most meet because I host in-house meets and do not rent space or equipment.

Last year at Pot of Gold quite a few teams asked if they forgo the leo could I cut the cost. They were happy, their parents were happy and I had less pre-meet work to do. A win/win/win situation.

Having said that, I am cutting the cost of this year's meets by cutting out the extras and saving the money for your parents.

Both meets will have nice medals for awards, but no trophies, t-shirts or leotards.

I'm hoping you will find this more family friendly for your parents.

Thank You for considering these 2 meet for your schedule this season.
